

# **MEDICAL PSYCHIATRY ALLIANCE (Child, Youth & Family) GRAND ROUNDS**

Thursday, April 6 2017, 11:00 am–12:00 pm  
The Hospital for Sick Children, 555 University Avenue,  
Hollywood Theatre, room 1246, 1<sup>st</sup> Floor Burton Wing

## **One brain, one child: Optimizing mental health outcomes in children and families following early brain injury**

**Dr. Tricia Williams** Ph.D., C.Psych, ABPP-CN

SickKids' Neuropsychologist in the Division of Neurology

### **LEARNING OBJECTIVES**

1. Describe common mental health outcomes following early brain injury
2. Consider how early parent experiences impact childhood and family outcomes
3. Appreciate current intervention opportunities for this at-risk group and their families
